	_id-September 1949
X1 4.	previously stationed at the alreadon airfield had left. Only a small guard actail, either a rear detail or the advance detail of the newly arrived unit, was stationed at the airfield.
X1	a. From this report it is inferred that the fighter regiment previously stationed in JITPOTOC. was transferred between 16 august and 3 testember 1949. No information on its present location has been received (it was possibly transferred to RECHEIR-LARZZ).
